The state campaign is a two-ring circus this time, with plenty of actors, a big menagerie and plenty of pyrotechnics. The advantage, or disadvantage is that it is in two sections and to see the whole performance takes two days. The senatorial campaign opened at Sumter yesterday, the 17th, and these actors will be in Pickens on the 2nd of July. The state campaign opened at St. Matthews on the same date and this oratorical display will hit Pickens on the 20th of August. Remember the dates.

The Boys are Playing Ball.

Pickens' rejuvenated aggregation of baseball artists put another game on the right side last Friday, when the Easley town team went down before them in dismal defeat, the Easley boys scoring seven times, while the Pickens boys circled the bases thirteen different times.

Errors were responsible for a great many of the runs.

Rain stopped the game in the second inning, but after a delay of twenty minutes play was resumed.

Although it was not a perfect exhibition of the great national game, it was enjoyable.

The Easley boys all seemed to be gentlemen and played the game like true sportsmen, although it was seen from the first that they were outclassed, owing to their lack of practice, but they are good ball players and will no doubt put up a better game next time.

C. Sheppard was on the slab for Easley at the beginning, but gave way after the third inning to southpaw Boggs.

There were no especial features. Hagood Bruce made a good catch of a high foul after a long run and Wyatt Jennings pulled one out of the clouds with his finger nails, while McAlister's running talk and good humor helped to add interest.

Mr. McClesky made a competent umpire.

Tuesday at Easley the Easley team, with a fruit tree agent catching and a seller of stereoptican views playing first base, got revenge in huge chunks for the game they lost to Pickens last week, by handing our boys the short end of a 11 to 7 game. Beard started in to do the twirling for Pickens, but the Easley team took kindly to his curves and batted out 11 runs in four innings, a home run and a triple being included with singles and doubles too numerous to mention. He was relieved by Grandy, who went the last five innings without a run being scored off of him.

Pickens made a slight rally in the ninth and scored three runs. Ernest King pitched a fairly good game for Easley.

Mr. Her's umpiring was good.

The Pickens Stars lost to the second team Wednesday, 8 to 6. Batteries: Furman Pace and Ralph Hester for the Stars, and Willie Thompson and Theron Hester for the second team. Roy Nealy for the Stars made a double play unassisted.

The Pickens Cotton Mill team was defeated at Easley Saturday by the Greenwood team. Score being 5 to 2.

The Easley Cotton Mill team took a good one from the Pelzer boys at Easley Saturday, scoring 1 to 0. The only run was made on an error by a Pelzer player.

The baseball team from Newry beat the Liberty team at Liberty Saturday by a score of 9 to 1.

The Pickens third nine walloped the Pickens fourth nine Saturday by a score of 2 to 0. The youngsters showed re-

markable ability as players and displayed a knowledge of the game that was surprising. Lonnie Jennings pitched and Ralph Hester caught for the third nine, Mac Christopher pitched and D. B. Finney caught for the fourth nine. The game did not last full nine innings on account of the rain interfering.

Mrs. Riley Allen Dead.

Mrs. Ida E. Allen, wife of Riley Allen of Pickens and who formerly lived at Piedmont, died at a sanitarium in this city yesterday. She leaves a husband, two children, one sister and five brothers.

Mrs. Allen was the daughter of the late John F. Clardy, Esq., of Anderson County, and who was well known in this city. Of the Baptist Church she was a devout member. Her funeral services will be held in the chapel of Jas. F. Mackey & Son this morning at 8:30 o'clock, the Rev. R. H. Burris officiating, after which the remains will be carried to Anderson, where the interment will be in the Silver Brook Cemetery. —Greenville News, June 10.

Little Miss Fanne Mae Finney on last Thursday celebrated her 7th birthday with a little party to her friends, many of whom were present. She was the recipient of many presents, the guests had a good time, and the servants raised "old horry" about the mess to be cleaned up, complaining that children are nuisances no how.

Miss Lillian Bolt gave a birthday party Tuesday night at her home in Pickens, at which many of her friends and schoolmates were present. She was the recipient of many valuable presents and immensable good wishes for health, happiness, joy, pleasure and the return of this happy occasion. Miss Lillian's age is—but we won't tell it,—suffice to say she is just the age young ladies always long to reach and hate to pass. May her other birthdays, in fact her future life be as happy and gay as on this auspicious occasion.

If it is doing them good it will do you good, whether you buy it from a white agent, indian, dog or negro. Knowledge is what you need, and that you can get from the pamphlet and supplement, or my instructions. Don't forget that I refund your money with one dollar extra and pay your railroad fare back home, if I fail to benefit you; then and there, so come; and come all who are afflicted and be healed or get more money.
